Rent a boat with thousands of stories! What will be your story?

FIND YOUR NATURE

This boat comes with swimming trips to sand banks, peaceful moments by the open fire, joy of fishing and the sounds and scents of summer night at the river.

Head to the river now, no personal equipment needed. Safe aluminum boat, life jackets and other safety equipment waits for you at the shore of Kemi River. **Price includes electric routemap with easy routes and places to stop for swimming, picnic etc.** At the river you will also find simple channel buoys marking the safest route. We will also equip you with a GPS-locator and emergency button. Should you find yourself in trouble, only one push of button and you will be connected with our staff. **If you wish, we can also provide you with picnic basket, camp fire and fishing rods with fishing permits.** Boating has never been this easy!
